Aloha HCA Friends and Supporters,

The Hawaii Coffee Association (HCA) is a statewide non-profit coffee industry advocacy group representing every level of Hawaii's coffee supply chain including farmers, processors, wholesalers, retailers, researchers, and coffee enthusiasts. Our mission includes ongoing education of members and consumers, advocacy and marketing support. The HCA has provided leadership for the coffee industry and has become an important partner for government, the research community, and coffee markets around the world since the early 1990's. Hawaii Coffee Foundation (HCF) is a 501(c)3 qualified supporting organization to the HCA.

Hawaii's coffee industry sits among the state's highest value crops and creates numerous tourism opportunities as well as economic and cultural value. As such our audience is broad and our fishing tournament offers you a perfect opportunity to showcase your product or service, or to show your support for our industry and the families that depend upon it.

HCA brings Hawaii's coffee industry together and offers you an opportunity for your business or organization, or self, to show its support for this vitally important agricultural industry. Your contribution will greatly assist in producing a high-quality event while promoting your organization, business, or self, before, during and after the tournament.

We will take any donations or sponsorships till the day of tournament, and because we appreciate your contribution, we would like to acknowledge your kindness on our tournament banner, social media, and website, with your company/organization logo or name.

Please submit your donations or sponsorships before April 12, 2024, to get your business/organization logo or name on the [tournament banner](#).
